President's Welcome

I would like to wish a warm welcome to the officials, players and supporters of Skye United and to all past players that are attending today.

Today is a special day - not only is it a local derby, but it is a day for us to thank our past players for their time and commitment to the club over the years.

The club would not be where it is today - and that is due to the commitment of all of you throughout your time at the club.

The current playing group - both reserves and seniors - epitomises qualities that you all showed during your successful playing days, which leaves me with no doubt that success is coming to this club in the near future.

For now, enjoy your day catching up with one another and watching our quality reserve and senior teams. I look forward to catching up with you all throughout the day.

A Bit Of History

Many of you may realise that there are some similarities between our two clubs.

Way back in 1978 one part of our club was started, our seniors played in the Bayside Soccer League as Skye our juniors as Skye Rovers in the VSF, more importantly our home ground was Ballarto Road currently the home ground of our opponents today.

Their club had moved to this ground some years ago, previously they were playing under the name of Carrum United at the Italian club situated on Frankston Dandenong Road.

When we left the Bayside League to join the VSF in 1986 our first season was in the old Provisional League (Div 4) and who did we play in our first home game, yes you have guessed it Carrum United.

Some players who played in this game are even here today watching.

Your Club

Today is a special day here at McClelland Drive as we welcome back to the club past players, some may not have been here for some time and on entry into the ground they would soon become aware of how the club has progressed. Ample car park spaces and the driveway down to the club rooms like the car park fully tarred. Our clubhouse has undergone a complete renovation, facilities we had never previously enjoyed, however one thing that has not changed is the bar area, however the name above it bears the name Clayton Lee, he has done so much for the club over many many years and fully deserves this recognition.

On the walls around the room are pictures of past teams and banners and past trophies, thanks to Laurence Hall and Rob Harrington for this.

Looking out onto the ground you will see it is in a magnificent state, new fencing around it with new dugouts, behind each goal a high fence to stop the ball going into the car park or out of the ground. Behind the stand we now have a great training ground with the grass the same as our main pitch.

On our stand you will see it is now closed off, the Frankston City council which has done so much for the club is now in the process of renovating it, hopefully before seasons end it will reopen, the current seating may well be replaced at a later date and like the present seats shown in club colours the blue, yellow and white.

We have a very hard working committee and they decided that we do not need flood-lights on the main ground (at this stage) to play night matches as a result the stand became the main consideration.

Finally I would like to mention that we still have some very loyal supporters who watch the teams play and we also welcome them each and every week.

Peninsula Strikers History (Part 1)

During the latter part of 1993 Frankston United Seniors and juniors began regular talks with near neighbours Karingal United. Both Clubs saw a need to develop soccer further on the Peninsula, each Club had reached a point in time where a merger was the most sensible idea.

The main aims of the talks were to:

- a) Unify fragmented soccer interests in Frankston area
- b) Provide better facilities for members and their families
- c) Open the opportunity of advancement for the club

Karingal had played in the VSF for many years and were presently playing in State League Division 4. Their home ground was Ballam Park and under local council rules was considered a public park, the playing arena could not be enclosed by a fence, and each home match saw it roped off to comply with the VSF. No matter what Karingal did the realisation was that they had to move to gain better soccer.

A chapter would close in both Club's and a new one would open. A decision to play Senior games at McClelland Drive and all Junior teams at Ballam Park was reached,

the Robinson's Road complex in the Lakewood Estate would be left to the Softball club and any other sporting organisation that used it during the winter months.

A meeting of all supporters was held on the 6th October and the resolution of an amalgamation was passed by majority vote by all three clubs.

The final Annual General Meetings were held a short time later in support of the amalgamation. On Friday 26th November 1993 the inaugural General Meeting of the new club was held in the McClelland Drive Clubrooms. A steering committee was formed comprising members from all clubs and this was to be the basis of the new committee to guide the club through it's the first year. Frankston Soccer Club officially commenced operation on 1st December 1993 with the amalgamation of 27 year old Karingal United Soccer Club and 16 year old Frankston United Soccer Club and Frankston United Junior Soccer Club.

First business of the steering committee was to create a new image for the club resulting in the name change to Frankston Strikers Soccer Club and new club colours of green and gold.
