

UNLUCKY RUN BROKE

A change of luck came the way of 26-years'-old Noel Gillam when he won the Hastings Gift last Saturday.

He has been a most consistent runner, but found it hard to beat a run of seconds.

A good start from the blocks, off 14 yards, saw Gillam maintain the lead throughout to win by 13 yards in 12.1

water, but those who braved the elements enjoyed exciting sailing.

The club, under Commodore Noel Hall, has concluded a very successful season and a presentation night in the near future will officially conclude its activities.

FRANKSTON SOCCER CLUB

Up to the present the Frankston Soccer Club has not met with much success this season, having lost the three games played and being forced to forfeit the fourth.

On Saturday at Moorabbin, this club is hoping to record its first win and to follow it with further success against Flinders Naval Depot at home on April 30.

Mr. A. Prior, 46 Kars Street, Frankston, is the club secretary.

SAVELOY MYSTERY

When the greasy pig was released at the recent Ophir Festival at Mornington, it offered little resistance to the vast field of competitors.

The reason for its sluggishness was not solved until later, when an official went into the pavilion where the

match wickets. These themselves contributed to the win.
