Good afternoon everybody,

For our second home fixture of the season we entertain Waverley, currently on top of the League.

It is probably too early in the season yet to judge any side's ability, but one thing will be certain, Waverley coach Rudy Van Altena will have his boys good and fit.

However, we defeated the reds three times last season. We hope we can beat them at least twice this year. Waverley play a good brand of football and I am sure we can look forward to an entertaining game. We welcome the Waverley Club to our venue, and hope we can enjoy their sporting friendship after the games; win or lose.

Last week was a happier one for us at Middle Park, with both sides winning. The first team win was probably better than the scoreline suggests; having the majority of the play, we had a two goal lead before Park Rangers pulled one back and then missed a penalty. It proved a good day for Billy Papoutsakis who saved a penalty in the reserve game; then coming on when Geoff Bardsley was injured in the last five minutes, proceeded to make short work of another. Love that fellow. This is nothing new to Billy as players will remember he saved a number last season, two in one game against Albion.

Injured seem to be dogging us this season. Apart from Geoff Bardsley injuring his hand saving a goal attempt against Park Rangers, we also lost Dave Morgan after ten minutes. Poor Dave had trained for a month without a game, waiting for a clearance from the U.K., only to sprain an ankle in the first few minutes of his debut. But not to be outdone, Dave put his name on the scoresheet with a good goal in five minutes. We have Graham Baulk on the sidelines with a sprained ankle also. We missed Nigel Bevis against Brighton after spraining an ankle against Athena.

Cont'd

The other debutant's against Park Rangers Played well also. Malcolm Smith gave a strong performance, in the reserves 3 - 0 win. Whilst John Walton looked a very sound player with three goals in his first game. John's not quite fit yet and if he can repeat this performance we can only look forward to what he can do when he is good and fit.

LAST WEEK'S LEAGUE MATCHES -

Report -

Our first points of the season were earned at Middle Park. A much better performance by the Blues. We began well with newcomer Morgan featuring in the early attacks. In fact he put us one up when he banged home a pass from Mick Mail after five minutes. We looked for further goals and then survived a torrid quarter hour when Dave Morgan went off injured. The Middle formation looked stronger with Brian Finch and Frank Thompson working well. The defence too held Park Rangers well until the last ten minutes when Rangers fought hard for a point. Finch put us two up after good work by Gerry Paske.

Away Frankston Reserve (1) 3 V Park Rangers (0) 0

Scorers - Walton (3)

Team - W. Papoutzakis, D. Orwell, T. Flynn,
M. Smith, R. Lymer, P. Smith,
A. Cotterill, D. Caruthers, J. Walton,
R. Adams, G. Quennell.

Report -

The reserves victory was well earned with another recruit John Walton scoring all three goals; this man is a strong player, but unfortunately not quite fit as yet. The other new comer, Malcolm Smith also had a good run.

Best players -- B. Papoutzakis, Orwell, Smith,
& Walton.

LADIES AUXILLIARY -

The Ladies Auxilliary has arranged a tour of Beecham's factory on Tuesday the 6th May at 10.00 a.m. Any ladies wishing to enjoy th s pleasant morning finding out how your pills, shampoos, deodorants etc., are made may phone Joyce boeer on 783 2874. A gift pack and morning coffee will be provided for a mere .30c for a very interesting morning. unfortunately, children are not allowed.

On Saturday 10th May, the Ladies have a stall at Central Park in Frankston. Goods for sale are still urgently required e.g. discarded clothing, jewellery etc., cakes are the best sellers. Our thanks go to those who have already made donatinn.

An evening at Mike Preston's I.M.T. has been arranged on the 9th June. A coach will be hired. Ring Joyce on 783 2874 if you wish to attend. This apparently is a more popular night than Graham Kennedy's.

Last year we had a tremendous Auxilliary, most of whom we have lost. However we have a new band of ladies and we can see by their efforts, and those not published that they will be every bit as good as their predecessors.

Our thanks go to their every effort.

PERSONALITY PARADE -

Henke Brouwer -

Our junior coach at Frankston, Henke was born in Amsterdam where as a junior he was with the famous AJAX club. (Ajax of course are now European Cup Finalists) Henke came to Australia in 1957 where his soccer career took him from Victorian State leaguers Moreland, to Sandringham then to Sydney with Melita Eagles, back to Melbourne with Sandringham and Frankston. Henke is a director of his father's Company, Brouwer Industries and is married with one daughter. He is also a qualified coach and in his first year in this field took his under 10's side to an Olympic Park final. Quite a creditable performance. Henke is a keen student of the game and a popular figure at Frankston.

On Sunday the A side had its first league game, narrowly losing to a heavier Hakoah side 3 - 4. Scorers were J. Monty, Starczewski, & R. Kirk. Onlookers will have chosen John Monty as the best player closely followed by brother Bernard and Skelley.
